Foreword

It seems but yesterday that we held our first annual auction sale at Cherry Hill. Never has a year gone faster nor has one ever been more crowded with happy events. With your generous support our first sale established a new record for the breed. In December good fortune smiled upon us at the International in Chicago. In June we had more than our share of good luck at the Congress Sale; and in between and ever since, the gods have showered their blessings, using the stork that serves the Shorthorn world as an emissary.

Therefore, it is with much happiness and we hope with pardonable pride that we invite you to our Second Annual Sale. Raymon and Dorothy Duer have done their usual fine job. Ralph and Kenneth Study, Paul Potter and Johnny Hudson are anxious to show you their handiwork.

We hope that you will be our guests in November, not only for the Sale on the 8th, but for a pre-sale celebration on the evening of November 7th.

J. and HARRY STRAUS.

Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Terms

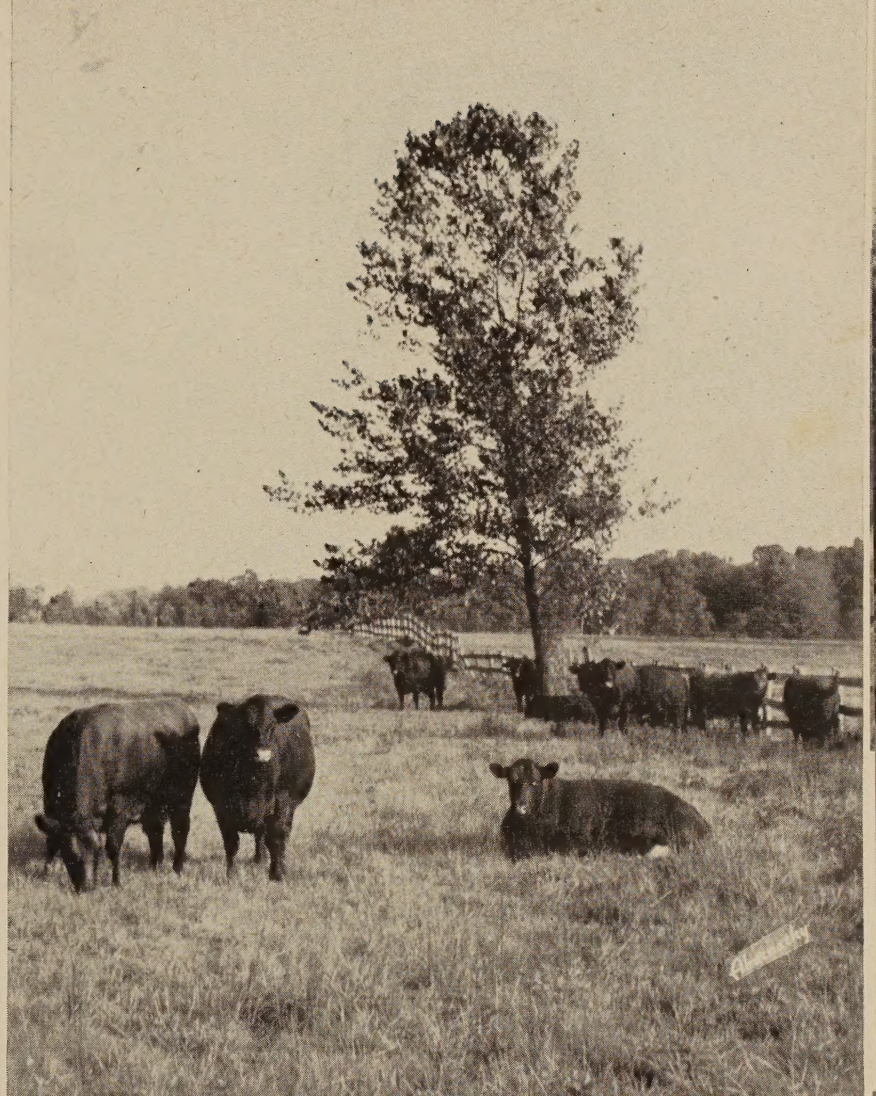

The terms of the sale are cash.

Health

The Cherry Hill Polled Shorthorn herd is Federally Accredited for BOTH Tuberculosis and Bang's Disease. As a further health safeguard we have practiced calfhood vaccination. Nearly all of the young cattle in the sale have been vaccinated for Bang's. Health Charts will be provided that will comply with the regulations existing in any state.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

Cherry Hill Farm will pay up to \$100 freight on any carload of ten head or more of cattle purchased in this sale for shipment to one destination. Herd accredited for T.B. and Bang's.

Polled Shorthorns are
the most profitable
cattle for
American farms.

Something To Think About

Twenty-one different breeders bought the 39 animals offered in the Cherry Hill Polled Shorthorn Sale last year . . . all of them are still happy . . . six of these new owners saw the animal they purchased win a top prize at the 1946 International Live Stock Show . . . three of them saw their purchases win first prizes . . . and one saw his purchase win a grand championship at this greatest of all shows. Whether or not this performance can be repeated remains to be seen but all who have inspected the 53 head offering that will be sold at CHERRY HILL FARM on SATURDAY, NOVEMBER 8th agree that there are more potential winners than a year ago. At least the offering contains many more animals of Cherry Hill breeding and many more sired by COLLYNIE COMPACT x and EDELLYN ROYAL LEADER 2d . . . and it is well to remember that the calves by these two sires won first and second prizes respectively in the get-of-sire class at the 1946 International. And . . . something new has been added to the 1947 sale offering . . . five beautiful heifers will sell carrying the service of the 1946 International grand champion Shorthorn bull, SNI-A-BAR CONTROL. Are you willing to pay a little more to get a lot more? Do you want to improve your own herd and the Polled Shorthorn breed? The 1947 Cherry Hill Sale will provide the opportunity.

We searched the Country for a bull that measured up to our specifications for type and conformation and that was bred to reproduce the polled characteristic. We found him in Collynie Compact x. He combines the blood of two great improvers, King Collynie Jr. x and Daybreak's Collynie x. His calves are such marvels for blockiness, shortness of leg and thickness of flesh, that they won first prize in the get-of-sire class at the 1946 International. Be sure to see this bull and his calves on sale day.

Sni-A-Bar Control

Grand Champion Bull
1946 International Live
Stock Exhibition

We purchased Sni-A-Bar Control so he might reproduce his faultless conformation in the polled form. His record has few equals in show ring history. He won highest honors consistently as a calf, as a yearling and as a two year old. In 1946 he was the undefeated grand champion, winning this honor at both the American Royal and International Shows. As an individual he has won the admiration of beef cattlemen of all breeds. As a sire, he has few equals. Several beautiful polled heifers in this sale will carry his service.

We purchased Edellyn Royal Leader 2d because we wanted to infuse into Cherry Hill Polled Shorthorns the best blood of the Shorthorn breed. He is by the noted Edellyn Royal Leader by Coldoch Sensation. His imported dam is by Calrossie Sweepstake, he the sire of the Perth champion Imp. Royal Rothes. He has been mated to intensely bred polled females and the calves display the character, quality and style that we must have to carry Polled Shorthorns to greater heights.

AND NOW . . . on the following pages you will find the pictures, pedigrees and descriptions of the fifty-four animals we are selling. How good they are is a matter we are going to allow you to decide. All we care to say is that we are proud to offer these Polled Shorthorns under the name and guarantee of Cherry Hill Farm.
